One Married Couple's Witness to Natural Family Planning (NFP)

"As we lived the NFP lifestyle, we began to realize that all of our reasons for avoiding pregnancy were 'earthly' – we would need a new car, a bigger house, and more money for everything....We are so grateful that we now have the kind of marital union that God had planned for us! It has changed our lives so much that we became NFP teachers to spread the good news." Office of Pro-Life, Marriage and Family Life

Each August the Office of Pro-Life, Marriage and Family Life schedules regional meetings for members of parish respect life groups and individuals involved in any pro-life ministry. These meetings take place in anticipation of Respect Life Month in October and are especially important this year as our state faces a proposed amendment to the Ohio Constitution that would have grave consequences for women and preborn children. Participants are encouraged to attend one of the three regional meetings to take place from 7:00 to 8:30 p.m. on: Thursday, August 10; Wednesday, August 16; and Monday, August 21. Locations for each meeting are yet to be determined. For more information contact dschmidt@youngstowndiocese.org or 330-744-8451 ext. 272.

15th Sunday in Ordinary Time

"The seed sown among thorns is the one who hears the word but then the cares of the world and the lure of riches choke the word and it bears no fruit."

- Matthew 13:22

Does the lure of riches and material goods choke God out of your life? Are you so caught up in earthly activities that you have no time for God? Gratitude and generosity are virtues that we should strive to do on a daily basis. Every decision we make either takes us one step closer to God or one step further away. What we receive at Mass every Sunday should be shared with others all the other days of the week as well.
