As a result of Ohio House Bill 33, signed into law on July 4, 2023, all K-12 students in Ohio are now eligible for an EdChoice Scholarship that can be used toward Catholic school tuition beginning with the upcoming 2023-2024 school year. This includes currently enrolled children as well as any new student beginning their Catholic school experience this fall.

The EdChoice Scholarship will cover a portion, or in some cases, the full cost of a family's Catholic school tuition. A student's specific EdChoice amount depends on the family's 2022 gross adjusted income and family size. The amount could be as much as \$6,165 per year for a student in grades K-8, and \$8,407 per year for a student in grades 9-12. Please contact St. Paul School @ 330.337.3451 to learn how to apply for this benefit.

Returning families are already aware of the value of Catholic education. Families interested in pursuing a Catholic education for the first time should contact St. Paul School who will be happy to assist you.

Availability for new enrollments will vary by location.

17th Sunday in Ordinary Time

"We know that all things work for good for those who love God, who are called according to his purpose." -

Romans 8:28

Do you really trust God? Do you really believe that God will provide all that you need? Faith is a challenge for everyone at times. Putting our trust in God, in everything we do, in good times and in bad, means that God's plan for our lives may be quite different than what we planned. When one door closes, another one opens.

Trust in God, His plan is always better.
