Dear Friends,

Deacon Larry Pasko is preaching at the Masses this weekend. Thank you, Deacon Larry for your ministry and helping us to open our hearts more to the Word of the Lord.

“For who has known the mind of the Lord or who has been his counselor?” (Romans 11:34) The Holy Spirit helps us to receive the “mind” of the Lord as we persevere in the life of faith. At certain moments the thoughts of the Lord will teach us what we need to know to persevere in faith. St. Peter experienced this when he could respond to the question Jesus asked him and his companion disciples. Jesus recognizes this and teaches Peter the source of his words of faith and revelation.

“You are Christ, the Son of the living God,” (Matthew 16:16) is a statement of a few words, but it takes more than a lifetime to come to understand, to appreciate and to cherish. It’s like spouses who discover more and more each year what it means to be a wife or a husband. The unfolding of the reality and the mystery motivates our lives and our faith. We keep our eyes on the Lord, the true desire of our souls, amid all the things going on around us. We find our center and stability in the truth of Jesus being the Christ, the Son of the living God.

Thank you for wearing your masks in church. This helps us to suppress the transmission of the coronavirus via droplets and aerosols in the air around us. God bless us and help us to recognize our ability to curtail the spread of COVID-19.

This past weekend at the Masses at St. Paul Church, I asked for a second collection to be taken for needs of specific people. This regular ministry will be handled under the patronage of St. Joseph and will be administered by myself and other parishioners who have started to help with the needs of local people (parishioners and people in our community) who are in need due to the pandemic and also a man from our community in need of liver transplant (his regular needs for gas money to appointments in Cleveland are a hardship for him). Thank you to all who contributed to the second collection. God bless you. Let us keep each other in prayer as well.

Mr. Pancurak and staff and I will continue to study the diocesan guidelines as we prepare to resume this coming school year. May God bless all students, staff and teachers in all the difficult decisions and adjustments that need to be addressed. St. Paul School is scheduled to resume over September 8 & 9. All Students will not return on the same day, but staggered by design. Information will be made available to the parents. Let us pray for God’s blessing on our staff as they continue to prepare for educating our students.

Stay healthy and do all you can to keep our parish and community safe and healthy.

God bless you.

With love, prayers, and gratitude,
Father Bob Edwards
