Dear Friends,

Advent Blessings to All!

“...nothing will be impossible for God.”

- Luke 1:38

May God bless us as we complete the last days of Advent remembering that God succeeds in everything God does!

In the Second Book of Samuel God told the prophet Nathan to inform King David that God would establish a “house” for King David. As Christians, we see that fulfilled in Jesus. He is the one in whom an everlasting kingdom has been established. And his kingdom will have no end.

When presented with this news, David went before the Lord in prayer (2 Samuel 18-29) and gave thanks to God for this wonderful promise. David trusted the God. So did Mary. She believed the message of the angel and would burst into praise in the presence of her cousin Elizabeth.

God has done remarkable deeds. All of us have benefitted from creation, from life itself. We benefit from the birth, life, death, and resurrection of Jesus Christ. We have every reason to give thanks to God and to put our trust in God. Let us give thanks and praise to God especially for being members of the Body of Christ, the Church.

Thank you to Joe Funai of St. Paul Parish for constructing the current outdoor **Nativity Scene** that is in the front yard of the church. It is beautiful.

Thank you to everyone who has cleaned and decorated our parishes for Christmas. I anticipate that everything will be beautiful as usual. God bless you.

Thank you for your prayers and participation in our parish, whether you are attending Mass or viewing at home. **Thank you** for your contributions to Saint Paul Parish and School, to our special collections, and for your participation in the life of our community. God bless you for being you.

Merry Christmas!

Today is born our Savior,

Christ the Lord.

- Psalm Response to Mass During the Night

The waiting is over. The promise appears. We live in the time of fulfillment, but it was good for us to try to recapture the original waiting because still we are waiting for the second coming to be fulfilled. During this time of waiting, we celebrate the first coming, that of Christmas! It makes our waiting more joyous and reflective; it gives us the opportunity to truly be about the purpose of our faith – that of loving God and our neighbor as ourselves. It fortifies our hope.

Our parish and school staffs join me in wishing you and your families and loved ones a Blessed and Merry Christmas. May you come to experience our Lord Jesus Christ in all his love and peace.

With love, prayers, and gratitude,

Father Bob Edwards
